Melanie,

Please find attached an update for the air permit applications for the Texas Gulf Terminals LLC (TGT) Deepwater Port (DWP) License application. This emissions update addresses the proposed hazardous air pollutant (HAP) representations in the application. If you have any questions, comments, or suggestions on this update, do not hesitate contacting me at (972) 419-5679 or Denise Rogers at (832) 203-6493.

Regards,
Brian
